

PURETEC WARRANTY AU & NZ

Puretec Water Filter Systems are all covered by a minimum 12 month manufacturer's warranty. However, many products come with an extended warranty period – check the table below.

Consumable such as filter cartridges, while they are covered for manufacturing defects, there is no guarantee of cartridge life due to varying water quality's and/or usage amounts.

Warranty periods have changed over the years so your product warranty may differ from what is listed below.

Puretec is renowned for its quality and after sales support so if you have any issues please call 1300 140 140 (AU) or 0800 130 140 (NZ)

To make a claim under the warranty, take the product and proof of purchase to place where you purchased the product, and they will lodge a Warranty Request with Puretec. If you wish to arrange your own contractor, prior approval from Puretec must be gained.
