

GENERAL INFO **REMOVES TASTE, ODOUR, CHLORINE AND CHEMICALS**

Granular Carbon Cartridges

The Puretec GC Series granular carbon cartridges effectively reduce unwanted taste, odour, chlorine, volatile chemicals and pesticides leaving beautiful tasting clear water for all drinking water applications. They are designed to allow maximum contact between the water and carbon, ensuring maximum absorption.

The construction of the cartridge allows water to enter at one end and pass through the entire length of the carbon bed before exiting to the other end of the cartridge, while an external expansion pad minimizes channelling or bypass. Before the water exits the cartridge, a 20 micron post filter helps reduce carbon fines and other suspended particles from the filtered water. The post-filter is permanently fastened to an innovative support basket ensuring that it is firmly secured and eliminating any potential of bypass making it suitable for drinking water, food service, whole house filtration and many other situations.

The Puretec GC Series cartridges are available in variety of sizes and flow rates, and effectively provide good general-purpose drinking water filtration.

MATERIALS OF CONSTRUCTION		FEATURES & BENEFITS	
• Filter Media	Granular Activated Carbon	•	Highly effective taste, odour, chlorine, chemical and sediment reduction.
• End Caps	Polystyrene	•	3 times the capacity of similar cartridges.
• Post-filter	Spun Polypropylene	•	Designed for maximum absorption.
• Outer Casting	Polystyrene	•	Temperatures up to 52°C.
• Expansion Pad	Polypropylene		
• Gaskets	Buna-N (top) Santoprene (bottom)		
• Temperature Rating	40°F to 125°F (4.4°C to 51.7°C)		

CARTRIDGE SPECIFICATIONS AND PERFORMANCE DATA

	Model	Dimensions	Micron Rating (Nominal)	Flow (Lpm)
5"	GC205	standard 2.5" x 5"	20 post filter	7
9"	GC059	standard 2.5" x 9"	5 post filter	11
10"	GC051	standard 2.5" x 10"	5 post filter	13
	GC051-SL	slimline 2.5" x 10"	5 post filter	11
	GC201-H	standard 2.5" x 10"	20 post filter	15
20"	GC202	standard 2.5" x 20"	20 post filter	27
10" MP	GC20MP1	standard 4.5" x 20"	20 post filter	32
20" MP	GC20MP2	standard 4.5" x 20"	20 post filter	40
